

EMTEK®

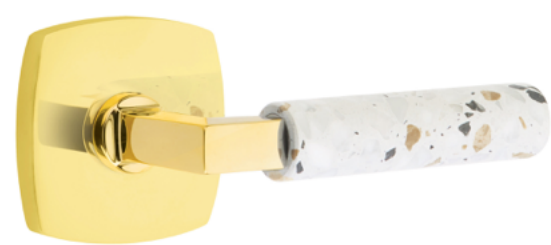

ES EMTEKSELECT

NEW SELECT TERRAZZO LEVER AND KNOB

The Emtex SELECT Lever program's new Terrazzo option offers a new level of customization: choose your textured lever grip, stem design, and pair with any of our available rosettes options-- in any mix of finishes--for hundreds of unique combinations, made just for you and your home project.

MIX + MATCH STYLE & FINISH

The EMTEK SELECT platform allows you to mix finishes, textures and styles with ease.
