

EMTEK

LOW PROFILE CONCEALED  
BARN DOOR HARDWARE

WHERE STYLE MEETS PRACTICALITY

AVAILABLE 2024

# ABOUT THE DESIGN

Introducing Emtek's latest innovation - Low Profile Concealed Barn Door Hardware. Designed for a modern home, this product takes contemporary design to new heights by concealing the screws and wheels in the hanger for a clean, minimalist look. This low-profile design not only enhances style but also provides extra clearance for tight spaces, making it ideal for various applications.
